

NCS Team Leader

The Team Leader is responsible to inspire, lead and motivate a group of 15/16 participants through a 3/4 week experience on the NCS programme. Ensuring full safely through-out, the Team Leader will build rapport and create a strong team ethic within the group whilst following the curriculum in line with the NCS ethos.

You will act as the pastoral leader of the group and be the main point of contact for external and internal people. This is a challenging, yet rewarding role which will require long working hours and some participation in night shift rota during the residential phases of the programme as required by the Wave Leader. Supported by the Assistant Team Leader, you will be overall responsible for the ongoing NCS journey of the participants and oversee the day to day management of your supporting Assistant Team Leader

Successful applicants will be required to complete online training modules, in addition to a 2-day overnight training package prior to starting your role on programme.
